

July 2016

תמוז תשע"ו

To Members of Bet Haknesset Hazvi Yisrael - SHALOM UVRACHA.

We invite you to renew your membership of the Bet Knesset for 5777 (and for those of you who are not members, we invite you to join our Bet Knesset) and to reserve your seats for the Yamim Noraim 5777. Please complete the attached application form and return it to us as soon as possible together with your payment.

We are pleased to inform you that, despite increased expenses of the Bet Knesset, the Vaad has decided that there will be no increase in membership or seat fees for 5777, which will therefore be unchanged from last year.

We will do our best to fulfill any request you may have but cannot guarantee this.

The detailed payments are specified in the attached application form. We would remind you that membership fees do not include the cost of seats for the Yamim Noraim.

The seats allocated to you are for your use during Yamim Noraim 5777 **only**. Members are reminded that **during the rest of the year there are no fixed seats**. This applies to **all** parts of the Bet Knesset.

New worshipers or those members who wish to change their seats are asked to make this clear in your application.

Following many requests from members, the Vaad has agreed to make available to members on request, **for their own use only**, the membership list of the Bet Knesset. **Any member who is happy for his/her details to be included in this list, is asked to make this clear in the place provided at the end of the attached application form.**

Please Note:

1. Please return your completed application form by Rosh Chodesh Ellul (4.9.16). **We shall begin to allocate seats on this date**. In view of the demand, we are unable to reserve specific seats for any application forms received after Rosh Chodesh Ellul. Furthermore, we will be unable to deal with any applications without payment.
2. The Amuta Law requires that we keep details of a member's Identity Card number Teudat Zehut or Passport number for non-Israelis. Please include these details in your application form.
3. We would remind members that the service in the Moadon Naamat is particularly appropriate for families with small children as there is ample room for baby carriages and space for children and babies to play.
4. We would like to stress to members that the money received from membership and seat fees covers just over 50% of the annual expenses of the Bet Knesset and that the deficit needs to be covered by donations from the congregation especially for *Aliyot, Smachot, Yizkor and Yahrzeits*.
5. During the previous year we have completed most of the work for the installation of an elevator, which will make all levels of the building accessible to all our members. We hope that the elevator will be ready for use around the time of the Yamim Noraim. The final costs for the elevator will be about NIS 600,000 (approx. USD 150,000). We also continue with regular renovations to the Bet Haknesset and your contributions for these would be greatly appreciated
6. **To make sure that our Yahrzeit records are up to date and correct and we urgently ask you all to please clearly complete these details in the accompanying form.**
7. Seat fees for the Yamim Noraim include both Rosh Hashanah and Yom Kippur. It would help our arrangements if you could indicate if you will be unable to be present during any of these days.

The Vaad of the Bet Knesset would like to thank all those who have helped ensure the smooth running of the Bet Knesset during the past year as well as all those who have made donations.

We request סליחה and נחילה from any and every member of the Bet Knesset whom we may have inadvertently offended in any manner during the past year.

We would like to wish you, your family and all of the House of Israel a very healthy, happy and peaceful New Year.
